For LABOTEC (PTY) LTD

Terms

This quotation is valid for 30 days.

Please see attached for the special terms and conditions.

The extended conditions are available on request.

SPECIAL TERMS AND CONDITIONS

INSTALLATION	Installation and commissioning is not included in quoted prices.
EXPORT DELIVERY	(EXPORT - FOR DELIVERY TO AIRPORT OF DESTINATION) Under DDU the seller undertakes to deliver the goods, to accept all risks and to pay all charges associated to that delivery, to the named destination in the country of importation - excluding the charges of customs clearing and all local duties, taxes or
PAYMENT	Payment to us strictly 30 days from date of statement. Interest at normal bank rates will be debited automatically to your account for late payments. Please note that where payment or order number for repairs in our workshop is not received within three months from date of quotation, goods will be sold to defray costs.
VAT (VALUE ADDED TAX)	VAT ZERO RATING : According to RSA VAT Legislation, all goods leaving RSA borders must be transported by a Freight Company nominated by Labotec (Pty) Ltd in order for you, the customer, to receive VAT Zero Rating . Should you wish to use your own Freight/transporter, then we have no alternative under the law but to charge VAT at the current rate. (NB: You are entitled to reclaim the VAT on presentation of the Clearing Documents from Customs Authorities) Please Note the following options and advise us of your preference : TRANSPORTERS TO BE NOMINATED BY LABOTEC : NB: These transport charges will be for your account. or FOR YOUR OWN NOMINATED FREIGHT OR TRANSPORT :
DELIVERY	Despatch ex overseas factory approximately 6-8 week(s) after receipt of confirmation of official order and compliance with payment conditions. This will have to be especially ordered for you from our Principals and therefore cannot be cancelled or accepted as credit.
VALIDITY	This quotation is valid for 30 days from the date specified.
INSPECTION	This quotation excludes any fees related to inspection (including, but not limited to, those conducted by Bureau Veritas and SGS). These fees can be included on request, and are for the customer's account.
EXCHANGE RATE	This quotation is subject to an exchange rate of 1EUR=19.14ZAR/1CHF=0.049ZAR. Any variations between this rate and actual paid rate will be for your account (debit or credit).
